Assumption of the Risk Release and Indemnity

I know that a road race is a potentially hazardous activity. I should not and will not enter and run unless I am medically able and properly trained to do so. I also know that, although police direction will be provided in certain discrete areas of the run, there will be traffic on the course and there will be third-party persons in attendance who are unknown to me or to the releasees hereunder over whom the releasees have no control. I assume the risk of running in traffic and among strangers. I also assume any and all other risks associated with participating in this event including but not limited to falls, contact with other participants, the effects of the weather and the condition of the roads, all such risks being known and experienced by me. Knowing these facts, and in consideration of your accepting my entry, I hereby for myself, my heirs, executors, administrators and anyone else who might claim through me or on my behalf, agree not to sue, and waive, release and discharge the Kansas City Track Club, the Brain Injury Association, the Brain Injury Association of Kansas and Greater Kansas City, and any and all sponsors, and any and all directors, officers, employees, agents and volunteers of any of the forgoing from any and all claims or liability for death, personal injury or property damage of any kind or nature whatsoever arising out of, in the course of or related in any way to this event or to my participation in this event. This release and waiver extends to all claims of every kind or nature whatsoever, foreseen or unforeseen, known or unknown, **and includes claims that arise out of or may arise out of the negligence or recklessness of the persons and entities hereby released.** I also give permission for the free use of my name and or picture in any broadcast, telecast or electronic or print media account of this event for any purpose. Minor applications will be accepted only with a parent's signature. I agree not to use or make available to others to use: skateboards, roller blades, bicycles, pets or radio or other types of headsets. I understand that running with baby strollers is not permitted and I agree not to do so. For everyone's safety, walkers only are allowed to push strollers. I agree to indemnify, defend and hold harmless all the persons and entities named above, from and against all claims of every kind or nature whatsoever, **(including claims that arise out of or may arise out of the negligence or recklessness of the persons and entities named above as persons released)** that arise out of or are related in any way to my participation (or the participation of the child for whom I am signing) in this event.
