

**Volunteer job descriptions for Amy Thompson Run
Race Day**

Course Monitor

Time: 7:00 a.m. – 10:00 a.m

Approximately 55; exact number is dependent on police requirements

Course monitors are located strategically on the course, in accordance with requirements by police. Course monitors are asked to check in for their position at Country Club Christian Church, 6101 Ward Parkway. Volunteers must be at least 16 years of age; otherwise, volunteer must be accompanied by an adult. Course monitors who will be stationed closest to the park should be notified separately so that they can check in at the general volunteer check in. Course monitors are asked to have a mobile phone so they can report any needs they encounter. Some stations are less accessible than others (i.e. located on a hill).

Process:

- Course monitors will be oriented to their duties by the Course Monitor coordinator(s) and/or Race Director.
- Course monitors are to wear safety vest at all times they are on duty.
- Course monitors are NOT to be stationed in traffic areas.
- Please note that streets are not closed off by police until after course monitors are placed in their designated areas.
- Course monitors are the “ears and eyes” of the event coordinators and are to report any possible injuries or trouble they observe during the Run.
- Course monitors are to stay on corner of designation intersection until all runners have passed.
 - There will be a police escort to signify the last runner.
